**U.S. Probation Officer Action:** On October 19, 2022, contact was made with Price to discuss the positive amphetamines result. Price admitted to using the illegal substance on one occasion to deal with the stress of his girlfriend being recently diagnosed with cancer. It is respectfully recommended that no Court action be taken at this time to allow the offender to participate in substance abuse and mental health treatment. This will enable him to continue working on his impulse control and substance abuse issues.

Respectfully submitted,

Bartosz Szatkowski  
Sr. United States Probation Officer
